Together we can "move the needle in the right direction for honey bees"

PAM was founded by beekeepers and growers for beekeepers, growers, and honey bees. **Your support** is an investment in practical, innovative research and habitat projects that directly support honey bee health, beekeeper tools, and industry collaboration.

We want to hear from **YOU!**

Wisdom from the Hive Mind

Do you have a comment or suggestion that you'd like to share related to honey bee health, our research or forage programs, or a burning question you've always wanted to ask a beekeeper or researcher? What topics are you most interested in? Follow the link [here](#).
