

Project *Apis m.*

Project *Apis m.* is proud to announce
\$10 Million in honey bee research funded!

We will be celebrating throughout the year with stories of the research, forage, and resources that have resulted from this achievement.

Join us on the Journey!

Capping a Milestone at PAM

Executive Director Danielle Downey reflects on \$10M in funded research, where PAM has been, and where we are going.

DONATE NOW

Together we can "move the needle in the right direction for honey bees"

PAm was founded by beekeepers and growers for beekeepers, growers, and honey bees. **Your support** is an investment in practical, innovative research and habitat projects that directly support honey bee health, beekeeper tools, and industry collaboration.

Wisdom from the Hive Mind

Do you have a comment or suggestion that you'd like to share related to honey bee health, our research or forage programs, or a burning question you've always wanted to ask a beekeeper or researcher? What topics are you most interested in? Follow the link [here](#).

Project Apis m.

Dedicated to enhancing honey bee health and crop production.
