LAB TO LANDSCAPE

Funding Honey Bee Research

It takes a (coordinated) village.

PAm is a unique vehicle for funding quality, practical honey bee research. Learn about PAm's funding and review process - and the recent funding of research at the USDA bee lab in Logan, UT with Dr. Diana Cox-Foster.

Together we can "move the needle in the right direction for honey bees"

PAm was founded by beekeepers and growers for beekeepers, growers and honey bees.

Your support is an investment in practical, innovative research and habitat projects that directly support honey bee health, beekeeper tools, and industry collaboration.

Help us fill the Honey Jar!

Wisdom from the Hive Mind

Do you have a comment or suggestion that you'd like to share related to honey bee health, our research or forage programs, or a burning question you've always wanted to ask a beekeeper or researcher? What topics are you most interested in? Follow the link [here](#).

Project Apis m.

Dedicated to enhancing honey bee health and crop production.
