# BUZZWORD

SPRING 2020

## Project *Apis m.*

### The Legacy of Christi Heintz

It is with heavy hearts that we relay the passing of PAm co-founder [Christi Heintz](#). She was a beloved friend to the industry who made great things happen. Please keep her family in your thoughts during this difficult time. With Christi's recent untimely passing, we hope you will join us in recognizing her contributions and the legacy she left for the beekeeping industry, through her leadership and friendship by contributing to the Christi Heintz Memorial Award.

LAB TO LANDSCAPE

### Blueberry Pollination And Bee Health

In Canada and the US, multiple PAm funded projects and researchers collaborate to investigate long-held concerns about the effects of blueberry pollination on honey bee health.

[DONATE NOW](#)

Together we can "move the needle in the right direction for honey bees"

PAm was founded by beekeepers and growers for beekeepers, growers and honey bees.

**Your support** is an investment in practical, innovative research and habitat projects that directly support honey bee health, beekeeper tools, and industry collaboration.

Help us fill the Honey Jar!

## Wisdom from the Hive Mind

Do you have a comment or suggestion that you'd like to share related to honey bee health, our research or forage programs, or a burning question you've always wanted to ask a beekeeper or researcher? What topics are you most interested in? Follow the link [here](#).

**Project Apis m.**

Dedicated to enhancing honey bee health and crop production.
